SOLSTICE DISH 2017 - A celebration of Celestial Connection:

1. 30-5-2017. Clearing and burning the site in a dam overflow for the Solstice dish. There was a strong feeling of ritual about the entire project.

2. 16-6-2017. Prepared site for Solstice Dish. Foundational wild clay laid out and shaped to hold in situ earth sculpture.

3. 19-6-2017. Substrate foundation complete and waiting to dry out after heavy rain. June is traditionally dry, so the amount of rain was unexpected. Exposing the vulnerability of the site.

4. 20-6-2017. Half finished Solstice Dish covered with tarp to minimise rain damage. The Epheremal nature
